

Vitamin-E-Tocotrienol Capsules

Nutritional supplement
with EVNol SupraBio™ Palm fruit extract

Useful information:

Tocotrienols are structurally very similar to tocopherols (Vitamin E), however, they can penetrate the cell membrane more easily. EVNol SupraBio™ is gained from the ripe fruit of the oil palm "Elaeis Guineensis" and contains other phyto-nutrients that naturally occur in palm oil in addition to the tocotrienols. The EVNol SupraBio™-System is a special mixture of lipids that increased the absorption of tocotrienol by up to 300%.

Tocotrienol-Capsules

- can reduce the risk factors for cardiovascular disease
- are good for the cholesterol level
- ensure a healthy Blutdruck
- protect cells and tissue

Each Vitamin-E tocotrienol capsule contains 340 mg tocotrienol-tocopherol complex with 55.1 mg total tocotrienols and 14.2 mg (21 I.U.) d-alpha-tocopherol vitamin E.

EVNol SupraBio™ is a registered trademark of ExcelVite Inc.

	per capsule	per daily dose (=2 capsules)	% of the recommended daily dose according to NRV*	per 100 g capsules
EVNol SupraBio™ Palm fruit extract	340 mg	680 mg	**	52 g
of which				
Total tocotrienols	55.1 mg	110 mg	**	8 g
